

"Together Everyone Achieves More"

Instant Email Notification Program

This year the PTA is giving parents the option of receiving school-wide distributed flyers and notices (normally placed into your child's Friday folder) via **email** instead.

What are the benefits of the program?

- The school saves \$\$\$ by using less paper and ink
- Less paper is used, and therefore, fewer trees are cut down
- You have the ability to save valued information electronically on your computer
- Our volunteers' valuable time can be spent elsewhere in the school (less time expended on stuffing Friday Folders)
- You will never misplace a notice (having it online means that you will never hear your child say "Oops, I lost that notice...")

Please fill out the form below to have your child's school-wide notices and flyers sent via email:

Email Opt-In Form

Child's Name: _____

Child's Teacher's Name: _____

Grade: _____

Email address(es) that you would like the link to notices and flyers sent to:
